Dear Awana Family,

It is with regrets that we have accepted the resignation of the Rechnitzer's. They have served the Lord in the Dallas/Fort Worth area for 15 years, and have served well. We appreciate their dedication to the Lord and their passion to see the next generation won to Christ. Please join me in praying for them as they continue to follow the Lord's leading in their lives for the future.

These transitions are never easy, either for us at Awana, or for the local churches in the affected area. The great thing is that Martin and Kay have raised up a wonderful group of volunteers who will help the ministry to continue forward. We still expect to start new churches, do trainings, arrange Awana events and serve your local church as well as possible. Please pray for the Ministry Team during this transition and in the months to come.

My name is Brad Iverson, and I am the Regional Missionary overseeing the Southwest United States. Part of my responsibilities is the state of Texas ministry. I will do my best with God's help to keep the ministry moving forward as much as possible. Currently I live in Hemet, CA, but our house is on the market and we are planning to move to the metroplex area as soon as the Lord provides a buyer. In the meantime I will be working by electronic communication and periodic visits to the area. My telephone number is 951-927-0997 and my email is Bradi@Awana.org Feel free to contact me. I have been a Pastor, Awana Missionary and now Regional Missionary and am willing to help you all that I can. My wife of 33 years, Margie, is my Office Assistant and she can help you as well.

What about financial support? We expect the ministry to continue, and that creates the need for funds. Yes, we will still need your support both in prayer and financially. Kindly consider continuing your support, the same account number #320, and the funds will still be used to meet ministry needs in the Metroplex area. Your continued giving financially is critical to the continuation of the ministry.

Finally, the Lord instructed us to pray for laborers. We actually need many more Missionaries in Texas, but the good news is there are at least 3 in various stages of application at this current time. It will not be too long I pray until we have a team of Missionaries ready to serve your area. Please pray for this as we move forward in this ministry.

Serving with you,

Brad Iverson
